

About Us

At Horizon Electricals Pvt. Ltd., we are committed to deliver advanced electrical panels are designed for superior efficiency, reliability, and safety, ensuring uninterrupted power distribution. Engineered with precision and cutting-edge technology, they deliver optimal performance for diverse industrial and commercial applications.

We specialize in designing and manufacturing custom-built LT Panels, Automatic Power Factor Correction (APFC) panels, and a wide range of power solutions tailored to meet your specific requirements. Our panels ensure efficiency, reliability, and seamless power management for diverse applications

POWERING INDUSTRIES
WITH RELIABLE ELECTRICAL SOLUTIONS

INNOVATIVE & RELIABLE ELECTRICAL PANELS

Manufacturing Infrastructure

Few great reasons make you choice us

			
IN-HOUSE MANUFACTURING FACILITIES.	WELL QUALIFIED & CAPABLE TEAM	INTERNATIONAL STANDARD QUALITY & TESTING.	FAST SUPPORT 24/7

Our Manufacturing Unit

Design & Fabrication Section :

- ✓ Hydraulic Shearing Machine
- ✓ Hydraulic NC Bending Machine
- ✓ CO2 Welding Machine
- ✓ Power Press
- ✓ Laser Machine
- ✓ Bending Machine

Panel Assembly Section :

- ✓ Busbar Bending Machine
- ✓ Busbar Punching Machine
- ✓ Ferrule Printing Machine
- ✓ Sticker Printing Machine
- ✓ High Voltage Testing Kit

Our Products

LT Panel

APFCR Panels

PCC panel

MCC Panels

Our Products :

- ✓ LT Panels
- ✓ APFCR
- ✓ RTPFC
- ✓ ATS
- ✓ PCC
- ✓ MCC
- ✓ PDBs
- ✓ LDBs
- ✓ Pump Controllers
- ✓ Industrial Plug Sockets
- ✓ LT Feeder Pillars
- ✓ Fire Panels
